Analytics: Excel, SQL, Power BI, Tableau, Python, R, forecasting, regression, A/B testing

Commercial: Buyer presentations, vendor negotiations, promotions, DTC journeys, CRM, subscriptions, SEO/GEO/AEO

PROFESSIONAL EXPERIENCE

E-commerce Manager | Haifa Wholesale LLC

Jun 2026 - Present | San Antonio, TX

- Lead a six-person team across listings, fulfillment, returns, and account health in consumer electronics.
- Manage Amazon 1P/3P, Walmart, eBay, Newegg, and other channels; support launches and catalog quality.
- Coordinate FBA, WFS, and merchant fulfillment; investigate Fishbowl and marketplace inventory discrepancies.
- Prepare weekly reviews and buyer presentations with Excel, SQL, and Power BI; support line reviews, planning, and annual vendor negotiations.
- Support DTC customer journeys, CRM automation, subscriptions, and SEO/GEO/AEO.

Business Analyst - Data & Operations | ELAN RGV Wireless LLC

Jan 2026 - Jun 2026 | Corpus Christi, TX

- Built operational reports and KPI summaries with Excel, SQL, and Power BI to support business reviews.
- Tracked workflows in Asana and translated sales and operations data into practical updates.

Data Analytics Intern | Storied Data Inc.

Jun 2025 - Jul 2025 | Remote

- Created credit spending and eye cancer dashboards and supported data reconciliation and reporting.
- Used Excel, SQL, Power BI, and later Python and Streamlit to make analytical findings easier to explore.

MUHAMMAD UMAR AMIN

E-commerce Manager | Additional experience, education & selected projects

ADDITIONAL PROFESSIONAL EXPERIENCE

Graduate Teaching Assistant | Lamar University

Fall 2024 - Dec 2025 | Beaumont, TX

- Tutored pre-algebra through Calculus III, linear algebra, differential equations, and statistics in the Math Shop.
- Supported MATH 2312 and MATH 1316 instruction; adapted explanations to different learning needs.

E-commerce Marketplace & Operations Lead | Ahmad Traders

Jul 2020 - Jul 2024 | Wazirabad, Pakistan

- Managed marketplace and retail operations spanning Amazon, Walmart, eBay, Etsy, and Shopify.
- Coordinated listings, inventory, customer service, and fulfillment across more than 1,200 SKUs and 200 monthly orders.
- Used sales reporting and workflow improvements to support stock availability, order accuracy, and customer service.
