Professional Experience

- **Haifa Wholesale LLC** — ***Jun 2026 – Present***
  Ecommerce Manager — San Antonio, TX, USA
  - Lead a **six-person ecommerce team** across listings, order workflows, fulfillment, returns, and account health, with a focus on consumer electronics.
  - Manage **Amazon wholesale operations, Walmart, eBay, Newegg, and other channels**; support product launches, promotions, catalog quality, and marketplace execution.
  - Coordinate **FBA/WFS/FBM** supply and fulfillment; investigate inventory and order discrepancies across **Fishbowl Advanced/Commerce** and marketplace workflows.
  - Prepare weekly business reviews and buyer presentations using **Excel, SQL, Power BI, and marketplace reporting**; support line reviews, planning, and wholesale coordination.
  - Work across DTC customer journeys, CRM automation, subscriptions, and search visibility, including **SEO, GEO, and AEO**.
- **ELAN RGV Wireless LLC** — ***Jan 2026 – Jun 2026***
  Business Analyst / Data & Operations — Corpus Christi, TX, USA
  - Built **Excel, SQL, and Power BI reports and dashboards** to organize sales, operations, and business KPIs.
  - Analyzed sales and operational trends to identify performance changes and issues requiring follow-up.
  - Prepared recurring **KPI summaries and business updates**, translating analytical findings into practical recommendations.
  - Validated reporting data and investigated discrepancies to improve consistency across operational reports.
  - Tracked workflows and follow-up actions in **Asana**, coordinating updates and priorities with business stakeholders.

- **Storied Data Inc.** ***May 2025 – Jul 2025***
  Data Analytics Intern Remote
  - Analyzed **credit spending and eye cancer datasets** to identify patterns, investigate data quality, and support analytical reporting.
  - Used **SQL and Excel** to prepare, validate, and reconcile data for recurring analysis and dashboard development.
  - Built **Power BI dashboards** to organize KPIs, summarize trends, and make analytical findings easier to explore.
  - Applied **Python programming and Streamlit** to data preparation, exploratory analysis, and interactive reporting.
- **Lamar University** ***Fall 2024 – Dec 2025***
  Graduate Teaching Assistant Beaumont, TX, USA
  - Tutored pre-algebra through Calculus III, linear algebra, differential equations, and statistics in the Math Shop.
  - Supported MATH 2312 and MATH 1316 instruction; adapted explanations to different learning needs.
- **Ahmad Traders** ***Jul 2019 – Jul 2024***
  Ecommerce Marketplace & Operations Lead Wazirabad, Pakistan
  - Managed day-to-day marketplace operations across **Amazon, Etsy, and eBay**, with supporting **Shopify** storefront work.
  - Created and maintained product listings, descriptions, imagery, keywords, pricing, and promotions across marketplace catalogs.
  - Coordinated inventory, order processing, customer communication, and fulfillment across **1,200+ SKUs and 200+ monthly orders**.
  - Reviewed product sales, customer engagement, and stock patterns to prioritize listing updates, replenishment, and channel actions.
  - Improved order and inventory workflows and supported Shopify product content to keep the customer experience consistent across channels.

Education & Forecasting

- **Lamar University** ***Dec 2025***
  M.S., Computational and Quantitative Methods | GPA: 4.00/4.00 Texas, USA
  - **Retail forecasting:** Modeled Walmart weekly sales using seasonal ARIMA/ARIMAX to examine seasonality and external predictors.

Technical & Platform Skills

- **Analytics:** Advanced Excel, SQL, Power BI, Tableau, Python, R, forecasting, regression, KPI reporting, and A/B testing.
- **Retail & Digital:** Amazon wholesale operations, Walmart Retail Link/Luminate, Shopify, Salsify, Helium 10, Jungle Scout, GA4, Adobe Analytics, Amazon DSP, and AMC.
- **Operations:** Fishbowl Advanced/Commerce, FBA/WFS/FBM, inventory reconciliation, returns/RMA, Asana, Zendesk, and cross-functional business reviews.
